Dear Sir,

With reference to your D.O. letter No:L.7664/Ml.156-21 dated 21st May 1923, regarding the constitution of the Sanitary Board, I write to state that I had an informal talk with the leading members of the Board and they have concurred in the proposal made by me. I do not anticipate any objection on the part of the Mining Board and I do not think it necessary to consult them though, of course, there is no objection to the course. At a meeting of the Sanitary Board some time ago after the formal business was over, Mr. H.M.A.Cooke asked me about the matter and I told him in the presence and hearing of Dr. O'Donnell and other members what proposals I intended to submit. They seemed to agree in my proposals.
